

BART Warm Springs Extension

Construction Notification #51 Traffic Signal Relocation Work at Walnut Avenue

Construction Details

Summary of Activity

Pedestrian and traffic impacts on Walnut Avenue due to relocation of traffic signals.

Estimated Start Date

Late November, 2013

Estimated Duration

Approximately one month

Impacts

- Partial closure of southern sidewalk
- Partial impairment of northern sidewalk
- Increased dust and noise.

General Work Hours

7 am to 7 pm

November 8, 2013

As part of the Warm Springs Extension Project, construction crews will begin relocating some of the traffic signals on Walnut Avenue near the entrance to the eastern BART parking lot. The work is needed to facilitate the reconfiguration of the sidewalk.

The work will include, but is not limited to:

- Installing changeable message signs
- Potholing
- Pedestrian and Traffic impacts on Walnut Avenue
- Excavation in impacted area
- Relocating signals

We appreciate your continued patience during construction. If you have questions regarding these activities, please contact our office at (510) 413-2060 or e-mail bartwarmsspringsextension@bart.gov.
